**IMA CONSULTING AGAIN CHOSEN AS AMONG BEST PLACES TO WORK
IN HEALTHCARE INDUSTRY**

Chadds Ford, PA Aug 25... [IMA Consulting](#), one of the largest independent national healthcare management consulting firms, has been selected as one of *Modern Healthcare's Best Places to Work in Healthcare for 2011*. IMA Consulting has achieved this recognition consecutively since 2009.

Modern Healthcare is nationally recognized as the healthcare industry's leading source of business and policy news, research and information.

This award is given to the top 100 healthcare organizations in recognition of their status as outstanding employers in the healthcare industry on a national level.

The award is based on employer and employee responses to a series of questions. Employer questions include elements of company policies/practices, benefits and demographics.

Questions for employees revolve around 8 core areas including:

- Leadership and planning
- Culture and communications
- Role satisfaction
- Working environment
- Relationship with supervisor
- Training and development
- Pay and benefits
- Overall satisfaction

About IMA Consulting

[IMA Consulting](#) is a full-service professional services firm that provides finance & regulatory compliance, operations improvement, revenue cycle and information technology implementation services exclusively to the healthcare industry. Our clients include hospitals and health systems and we offer outcome-focused solutions to healthcare providers. Our business model is very different than the highly leveraged models typically utilized by larger firms in that we staff our engagements with highly experienced consultants. In fact, the average years or experience of our professional staff is in excess of 22 years. Our clients value the depth and breadth of our services, our know-how and methodologies, and the innovative ideas we bring to them on a consistent basis.
